## I TRAINEE CONSTRUCTION TECHNICIAN

An excellent opportunity has arisen for a Trainee Construction Technician to join the Seddon team.

### What you'll do

- Understand the company Health & Safety policy and ensure all works are carried out and monitored in accordance with the company safety procedures, and in accordance with current legislation, regulations and environmental standards.
- Be proactive in improving H&S management practices and assist the SHEQ advisors during site visits and audits.
- Assist in monitoring that work activities, are being undertaken strictly in accordance with the approved Risk Assessment & Method Statements.
- Assist in maintaining the highest standards of housekeeping on site and in the offices.
- Fully understand the tasks and processes and how they interface with other departments within the housing sector of the business.
- Ask and question to develop your knowledge of the Manufacturing Plant processes.
- Develop key personal skills and attributes required to work in the construction sector.

### Have you got what it takes?

- Enthusiastic and willing to learn, detail conscious and well organised.
- A good verbal and written communicator, with good listening skills.
- Self-motivated with the ability to complete tasks set diligently.
- Good IT skills in Word Excel and Microsoft Outlook.
- Ability to learn ASTA power project and Visio software packages alongside other Seddon IT systems.
- Ability to work on own initiative with an analytical and questioning approach.
- Good time management and the ability to manage your own workload.
